G3900e

General purpose drives, ACS580 series offering, Internet course - EN

Course type

Internet course

Course Duration

The course duration is approximately 20 minutes.

Course Goal

The goal of this course is to understand the ACS580 portfolio offering; ACS580-01 and ACS580-04.

Student Profile

This is course is targeted for sales engineers, product managers, anyone selecting or dimensioning ACS580-01/-04 or for anyone wanting to know the options, powers, and voltages that are supported with the ACS580-01/-04 drive modules.

Prerequisites

- An Internet connection. The recommended browser is Microsoft Internet Explorer.

Notes

If you have no experience of working with drives, it is highly recommended to take a hands-on course in addition to this course, to be able to utilize the drive to its full potential.

Course Objectives

After this course you will be able to:

- Understand the range and options
- Understand the content of the type code

Main Topics

- ACS580 frame sizes
- Supported voltages and power ranges
- Enclosure classes
- Options range

Power and productivity
for a better world™
